PASSPORT AND VISA INFORMATION

Your passport needs to be valid for **at least six (6) months** after your journey ends, and should have a minimum of three (3) blank visa pages for entry and exit stamps.

A tourist visa is required for U.S. and Canadian passport holders for entry into Madagascar. There are currently three options available as outlined below. A&K recommends a visa on arrival.

Visa on Arrival: The current fee for a single-entry visa is 80,000 Malagasy Ariary (approximately USD \$30.). There is an additional Tourist Tax of approximately USD \$10, for a total per person entry fee of approximately USD \$40. Fees must be paid in cash in either U.S. dollars or local currency. If payment is made in U.S. dollars, change will be given back in local currency. All fees are subject to change without notice.

Electronic Visa (eVisa): To apply for an eVisa, visit <https://evisamada-mg.com/en/home>. The validity and cost of the visa depends on the duration of your stay. The cost of a single-entry visa for stays of up to 15 days is \$USD 10 and USD \$37 for a 16-30 day stay (subject to change). You may apply for an eVisa from six months but not less than one week prior to arrival. Average time to receive an eVisa is approximately three days. Make sure you have your e-visa with you to present to immigration authorities on arrival.

Visa Stamp: A visa stamp in your passport can be obtained either by applying directly to a Madagascar consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process. If you obtain a visa stamp you will still be required to pay the USD \$10 tourist tax on arrival.

Our partner VisaCentral offers easy, efficient U.S. passport and visa processing. Visit them online at visacentral.com/abercrombiekent or call 844 823 1224 and reference A&K's account number 73001. Service fees apply.

Citizens of other countries should contact the appropriate consular office for entry requirements pertaining to their journey.

YELLOW FEVER VACCINATION & MALARIA PREVENTION

A yellow fever vaccination is only required to enter Madagascar if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

You will be travelling to an area of malaria transmission. We strongly advise that you speak with your doctor or travel clinic regarding your itinerary, individual risk assessment and options for mosquito bite prevention and antimalarial drugs. We recommend filling any prescriptions before you depart.

CASH & CREDIT CARDS

Cash transactions can be made in either U.S. dollars or local currency. Major credit cards are accepted for goods and services at hotels and larger shops. Access to ATM machines is widespread in cities and towns but may be limited in rural areas.

PACKING LIST & BAGGAGE RESTRICTIONS

Baggage Restrictions: On flights within Madagascar, each passenger is limited to a maximum baggage weight of approximately 33 pounds (15 kilograms). This includes the weight of purses and camera equipment in addition to regular luggage. Luggage restrictions are adhered to very strictly and passengers should pack their bags accordingly. Soft-sided luggage or duffels are preferable to hard luggage for storage on safari vehicles and also on aircraft used throughout Madagascar. Dimensions should not exceed 23 inches (58 centimeters) long x 13 inches (33 centimeters) high x 10 inches (25 centimeters) wide. As a convenience, A&K provides each safari guest with a complimentary, custom-designed A&K Duffel. This bag is specifically crafted to meet airline standards.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to collect and manage your luggage for you.

Clothing

Choose comfortable and casual clothing in natural, "breathable" fabrics and versatile styles that can be layered as temperatures may vary considerably in the course of the day.
