WINGS OVER THE ANCIENT WORLD

PASSPORT AND VISA INFORMATION

Your passport needs to be valid for at **least six (6) months** after your journey ends, and should have a minimum of three (3) blank visa pages for entry and exit stamps.

Holders of U.S. and Canadian passports are not required to obtain a tourist visa for entry into Greece or Turkey for stays of up to 90 days.

A tourist visa is required for U.S. and Canadian passport holders for entry into Egypt.

There are currently three options available as outlined below. A&K recommends U.S. citizens obtain an electronic visa (eVisa).

Of Special Note: Canadian Passport Holders

Beginning December 1, 2024, Canadian passport holders will be able to obtain an electronic visa prior to travel or a visa on arrival in Egypt.

If you travel to Egypt before December 1, 2024, you will be required to obtain a visa stamp from an Egyptian embassy or consulate abroad prior to your arrival. E-visas issued for travel beginning October 1, 2023, will not be considered valid for entry into Egypt. Applicants must provide 2 passport photos and a copy of their day-by-day travel itinerary along with their visa application. Processing time is approximately 2-3 weeks. Canadian passport holders who reside in Ontario Province (except Ottawa), Quebec Province (except Gatineau) and the Eastern Provinces and Territories must apply for visas directly by mail or in person at the Consulate General of Egypt in Montreal, Quebec, at the address below.

Consulate General of Egypt in Montreal

Montreal, Quebec, Canada H3A 3J6

Canadian passport holders residing elsewhere may apply for their visa stamp through our partner VisaCentral visacentral.com/abercrombiekent.

Electronic Visa (eVisa): To apply for an eVisa, visit visa2egypt.gov.eg/eVisa/Home. The current fee for a single-entry visa is USD \$25 (subject to change without notice) and requires a minimum of seven (7) days for processing. Read and follow all instructions carefully to ensure a smooth arrival in Egypt. If the visa application asks you to provide an email address for your host tour operator in Egypt, please use akegypt@abercrombiekent.com.eg. You may also be required to upload documents (e.g. passport photo or copy of your passport information page) to complete the eVisa process. Please be aware that eVisas are valid for 90 days after issuance. Therefore do not apply for your eVisa too far in advance. If you experience technical problems with the eVisa website, try again a few hours later or the following day.

Visa on Arrival: A tourist visa can be obtained on arrival at Cairo International Airport (CAI). The current fee for a single-entry visa is USD \$25 (subject to change without notice) and must be paid in cash in U.S. dollars. *Please be aware that long lines are common.*

Visa Stamp: A visa stamp in your passport can be obtained either by applying directly to an Egyptian consulate or through a visa processing service. While there are additional costs involved in using a visa service, this option is available for guests who prefer assistance in the visa process. Please note that Egyptian consulates will often not accept visa applications submitted more than 30 days prior to your arrival in Egypt, so do not apply for your visa too early.

YELLOW FEVER VACCINATION

A yellow fever vaccination is only required to enter Egypt if you are arriving from, or have transited through, a yellow fever-endemic area in South America or Africa. In general, if you are travelling from the United States or Canada to join this journey in Athens, you are not required to have a yellow fever vaccination. However, if your travel plans include travelling from a South American or African country that is infected with yellow fever or is located in areas where yellow fever transmission has occurred (endemic areas), then the easiest and safest thing to do is to get a yellow fever vaccination. The CDC and WHO each provide a current list of all affected countries. If vaccination for yellow fever is necessary, you must carry an International Certificate of Vaccination provided by your physician; you may be denied entry without it. If your physician advises against receiving the vaccination because of your personal medical history, he or she can provide you with the necessary documentation for the country/countries you are visiting.

CASH & CREDIT CARDS

Throughout your journey, credit cards are widely accepted (in Greece, American Express less so). In Egypt cash transactions can be made in either U.S. dollars or local currency. Access to ATM machines is widespread in cities and towns, but may be limited in rural areas.

OF SPECIAL NOTE:

Early Wake-Up Calls

In order to maximize sightseeing opportunities and avoid the extreme heat of the mid-day hours, most Egypt journeys include several days with very early wake-up calls.

Photography

Please be aware that, due to security restrictions, drones and/or drone cameras are not permitted in Egypt.

PACKING LIST & BAGGAGE RESTRICTIONS

On Charter Air flights, each passenger is limited to approximately 70 pounds of checked baggage. For carry-on baggage, passengers are allowed one piece of baggage. Each piece is limited to a maximum weight of approximately 10 pounds and dimensions of 7 inches x 15 inches x 21 inches, and will be stowed with the checked luggage and not be accessible during flight.

Please use the provided A&K luggage tags, even if your bags already have ID tags. This makes it easier for A&K staff to find and manage your luggage for you.

Clothing

Choose versatile, casual clothing that can be layered if the weather (or level of air-conditioning) requires. Smart casual attire is appropriate for evenings and aboard Nile cruise vessels. Formal clothing is not necessary.

Mosques, cathedrals, churches, and other religious sites require conservative dress. Both sexes should cover their arms, legs and shoulders (women should pack a scarf for this purpose). Wear

or carry a pair of socks when sightseeing, since shoes must be removed when visiting certain religious sites.
